

# *Welcome*

A warm welcome to The Chelmsford Club, which was founded in 1884 and, as such, it is steeped in history.

We are a club where likeminded business people can work, network and unwind with first class facilities available for the sole use of our members. Our members can benefit from our in-house Business Centre, with hot desks, private meeting rooms and conference facilities. Members can host parties, conferences, networking groups, private dinners and more in our newly refurbished event space; or unwind after a hard day in our fully licenced members lounge bar, reading room, snooker room or garden terrace.

The Club provides a full calendar of member only events throughout the year, such as dinners, dances, wine tastings and charity events. Upcoming event information can be found in this bible.

The committee operates to a set of four values that reflect the ethos of the Club and to protect the welcoming atmosphere the Club enjoys. These values are:

1. Service
2. Quality
3. Member care
4. Teamwork

We sincerely hope that you enjoy being a member here at The Chelmsford Club.
