As The Chelmsford Club is an exclusive private members club, membership to the club is not freely available to everyone, it is offered with certain qualifications. A new member must be proposed and seconded. Their application is published to the entire membership. Should any member have cause to doubt the credentials of the proposed applicant that application can be vetoed. This process is in complete confidence.

The Chelmsford Club was founded in 1884 and as such it is steeped in history and the rules and regulations have been adjusted to keep them relevant and this document is available to members on request. It is equally important that we protect our heritage and values and **as a condition of membership** every new member is obliged to read this handbook and to abide by the guidelines within it.

The Chelmsford Club is a respectable community of members of like mind offering a variety of benefits and services housed in a beautiful Victorian mansion. Members are encouraged to avail themselves of what is on offer and by doing so help in the maintenance of what we have and the development of its future.

It is important to note that the Club is not a business networking club, nor is it intended to be cheap office space. All members are subject to the rules and regulations, and these apply equally and without favour to all applicants.

Part of your personal application is the requirement to complete the questionnaire and having done that to give a short description of how you see yourself using the Club.

### **Membership Benefits**

Being a member of the Chelmsford Private Members Club is to join a community and comes with many privileges, including:

- Members bar and drinks prices
- Members eatery
- Members lunches
- Use of snooker / billiards room
- Free use of the informal spaces including the drop in hub
- Access to 4 bookable private spaces / rooms

## **Next Steps**

a) If you are proposed by a member, you will be invited to attend an informal interview at the Club at which the Club's handbook will be explained and a copy provided, prior to submission to the membership for approval

b) If you have applied directly, you will have an initial interview with a member of the Committee to be given an application form, on completion you will be invited to an informal interview at the Club at which the Club's handbook will be explained and a copy provided, prior to submission to the membership for approval. After 7 days, if the membership accepts the application, you will be asked to make payment of your fees and a formal "onboarding interview" will take place, at which point you will be able to use the full facilities.

**As previously mentioned, your acceptance of the rules and regulations is a condition of membership.**

In addition, by signing you are providing consent to be contacted in this respect and your personal data to be stored and used by the Club in accordance with the current Data Protection Act.
