2023

Dear Valued Member,

Referral Programme – gain £50 spend on your membership card.

We are delighted to invite you to our rewards programme, whereby an opportunity is given to offer your family, friends, work colleagues and acquaintances a chance to join our ever-expanding community. For each individual referral proposed and accepted, £50 will be added to your membership card.

We really are Chelmsford's best kept secret and therefore, the only way to become a member is by recommendation. This ensures our community grows and prospers with like minded individuals, who can work, socialise and network in our private members club.

Here is how it works:

1. You know someone who fits our criteria. Details of your referral or referrals are passed to our Membership Team, who will then contact them. We will then process their application in the normal way and once completed, and membership granted, your reward will be credited to your membership card.
2. To make a referral, contact our membership team at membership@thechelmsfordclub.co.uk and we will take it from there.

3. By making referrals in this way, members are creating a community for people of similar ideas and attitudes. It will grant them access to exclusive club events and the many benefits that becoming a member allows:

- Members bar and drinks prices
- Members eatery
- Members lunches
- Use of snooker / billiards room
- Free use of the informal spaces including the drop in hub
- Access to 4 bookable private spaces / rooms
- Members garden
- Members parking (limited spaces)
- Members event calendar
- Weekly happy hour
- Members private wine cellar
- Reciprocal clubs
- Access to corporate membership and games at the cricket club
- Catered events
- Unique safe environment
- Sense of community

We value your patronage and commitment to The Chelmsford Club and this is our way of saying thank you. Let's continue to expand, and together we will build an environment to enjoy and a legacy to benefit generations.

Warm regards,

The Committee
